

I am your fellow servant,  
and of your brethren that have the testimony  
of Yeshua HaMashiach:  
worship YHVH Echad: (Rev. 19:10)  
Edah Akal Esh Cologne, Germany

In his first book, *Angels of the Lord*, Apostle Dr. Gunter Rappl takes his readers on a fascinating journey into the understanding of the realm of the angels of YHWH Echad. Built on the foundation of biblical truths, he expands the knowledge so far published in other bible-based books about the realm of angels, with prophetically revealed truth from Old and New Testament apocryphal books the children of Israel and the first Edah of Yeshua HaMashiach read and know.

Apostle Dr. Gunter Rappl covers fascinating topics detailing the origin, existence, and abode of angels, their names, ministry functions, duties, special angelic forces, and the classification of angels, to name a few. He reveals little known facts about the ministry of angels in the Courts of Heaven, angels and essential oils of the bible, angels and solfeggio worship music, and angels and the watches of the day, week and month. Finally he takes a short look at the fallen angels and their interaction with mankind since the preadamic time on earth.

The revelations described in the book are backed up by real life angelic encounters and diverse angelic visitations alone or together as ministry team in his Edah Akal Esh in Cologne, Germany.

Bible-based prayers at the end of each part of the book invite the reader to actively engage with these heavenly messengers of YHWH Echad to release protection, healings or blessings from the trading floors of heaven unto the heirs of Elohim according to the promise.

It is time to function as Edah of YHWH Echad as intended in the books of destiny written before the foundations of the world and to understand the role Angels of the Lord will play in such a crucial time as this in the history of mankind. I believe that the biblical interaction with our heavenly fellow servants will lead to the great worldwide awakening on all the seven mountains of society, so many prophets and apostles of YHWH Echad have spoken about in the last years. "Baruch haba b'Shem Yeshua HaMashiach." „Shalom“.
